

Perks for the Procurement

"Buy Smarter"

In your daily accord, we understand that you're not just purchasing travel, but in fact you're purchasing all products & services in relation to running a national or international corporation. Let us save you valuable time. We at Harrison want to assure you that we are the "smarter" choice for your company by proving that we are the best deal with the most innovative technology and cost monitoring on the market. Our customer service team has developed these perks for saving time & corporate coin to make your selection process easier...

- Online real-time service usage and reporting to view spikes in purchasing
- Service limitation by passenger to limit unnecessary spending
- Customizable Client profiles to make sure the VIP gets VIP service
- Monthly billing by cost center or P-card
- Newest & most Diverse Fleet
- One-source International booking with an average of 20% savings over the competition
- Green sustainability and 10 year road map for "greening" our company
- Scalable discounts by monthly service usage to get the best bang for the buck
- Direct GDS booking for travel agents
- Rideshare & Shuttle programs
- Frequent rider miles!

Participating Members of ACTE & NBTA

Between booking airlines, hotels, trains, and rental cars, we realize that the time savvy travel agent doesn't have a moment to leave the GDS to book car service, much less try to shop for a vendor out of the country. By using innovation & technology Harrison has enabled car service booking locally, nationally and internationally, straight through the GDS by the chain code, with automatic email confirmations. Which in turn keeps you doing what you do best...serving your clients. Our staff has come to work with our travel industry partners to offer creative revenue streams through monthly commissions.

- Online & GDS bookings & confirmations
- Individual client profiles to for repeat reservations
- Monthly billing by cost center or P-card
- Newest & most Diverse Fleet
- One-source International booking with an average of 20% savings over the competition
- Green sustainability and 10 year road map for "greening" our company
- Scalable discounts by monthly service usage to get the best bang for the buck
- Rideshare & Shuttle programs
- Financial road show & Bus programs
- Monthly Commissions

"The service was prompt, courteous, very professional, and I was quite impressed. Here's to a continued great relationship."

Karen Gibson, Carlson Wagonlit Travel

"Harrison ROCKS! You folks are always friendly, accommodating, ready for any last-minute-needs, (I even call you folks for all my personal trips to and from Boston). It's great to know there's a reliable company out there!"

Laura Mccann, Transform Pharmaceuticals

"Your service was amazing! Our group loved your drivers so much that they cancelled their current reservations with _____ and used you guys all weekend. Thanks for all of your help. "

Ann Howe, IHG
